

VARIMAT ONE

Vegetable cutter with fixed speed
in the highest quality stainless steel

Cutting with maximum precision:

Cut vegetables and fruit into different shapes at the touch of a button.
Quick blade replacement and easy cleaning of the machine and its components.

Our e-Shop
shop.rotorlips.ch

Over 30 years of experience go into every
ROTOR Varimat, and the cutting discs are
still compatible.

ROTOR

COMPACT DESIGN IN STAINLESS STEEL

Vegetable cutter with high safety and quality standards

IP65 certification

6 = Complete touch protection, dustproof

5 = Protection against water jets from all directions

CE - Marking

Rotor Lips Ltd., as the manufacturer, guarantees that the Varimat ONE complies with legal requirements.

Ideal for GN containers
up to 200 mm in height.

SIMPLE OPERATION

Single speed 350 rpm

Impact-resistant on/off and main switch

The housing, lid, and removable cutting chamber are made of stainless steel.

ROBUST AND SUSTAINABLE

All cutting discs and dicing inserts are made of stainless steel.

Resource efficient:

Cutting blades, grating plates, and dicing blades are screwed on and can be easily replaced instead of having to dispose of the entire disc.

The tried-and-tested, adjustable cutting discs from ROTOR not only save a lot of space in the kitchen, but also replace a significant number of conventional single-purpose discs.

Environmentally friendly:

Not only maximum food safety, but also fully recyclable thanks to the absence of composite materials and chemically active plastics.

Twice as fast:

The slicing discs and dicing blades have two blades.

Dicing disc with knife, cleaning tool, and knife removal tool

Adjustable slicing disc cutter 0–8 mm with a pulling cut

Easy adjustment of the cutting thickness without tools.

WELL THOUGHT OUT

The extra-large feed chute makes filling easy and operation convenient. A perfect cut is guaranteed, even for soft products.

The vegetable cutter can be easily dismantled and cleaned without tools. All parts that come into direct contact with food are made of high-quality stainless steel and can be cleaned hygienically and efficiently in the dishwasher.

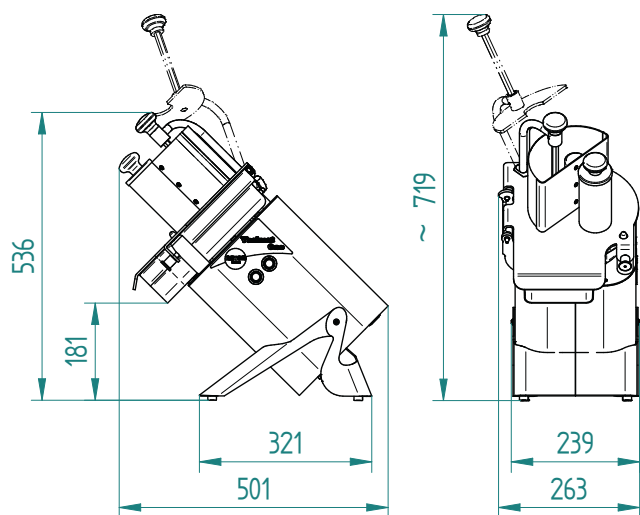

The cutting chamber consists of a stainless steel bowl and can be easily removed.

TECHNICAL SPECIFICATIONS

Varimat One vegetable cutter

Item No.	1251.00?
Power	0.37 kW
Voltage	230V / 50 Hz
Weight	24 kg
Dimensions (L x W x H)	501 x 265 x 538
cutting capacity	approx. 150 kg/h
Facilities	
Disc diameter	Ø190 mm
Fixed speed	350 rpm
Round shaft ø55 mm	✓
magnetic safety switch	✓
motor protection switch	✓
CE certified	✓
Tested with certificate	IP65
Recommended disc set (item no.)	V1250.00x-OptSet
Consisting of	Adjustable cutting disc 0–8 mm Julienne J2x2 mm Grater R1.5, R3, R9 Disc stand for 6 discs

✓ Standard

Subject to technical changes.

Tip:

For even higher demands on performance and versatility, we offer an equally compact alternative:

Vegetable slicer Rotor Varimat Speed Gourmet
with variable speed
