

CUTTING DISCS & DICING INSERTS Ø190MM

For the Rotor Varimat vegetable cutter
and Rotor AGS19 clip-on vegetable cutter

Easy replacement:

Cutting blades, grating plates, and dicing grid blades are screwed in place and can be easily replaced.

Stainless steel:

All cutting discs and dicing inserts are made of stainless steel.

Drawing cut:

Minimizes crushing of vegetable cells, allowing vegetables to retain their fresh, full flavor and oxidize less.
